

Important Information about Classroom Training

Training is at 109 State Street, 3rd Floor. You will need to sign in at the Lobby where you will be required to provide a valid photo id (license or State ID). You will receive a security badge once you sign in. Take the elevator to the 3rd floor. Take a left off the elevators which will bring you to a locked hallway door. You will need your security badge to gain entrance. Once through the door, follow the hallway almost to the end, the training room is on your right. A sign is posted outside of the training room.

PARKING:

Parking in Montpelier can be challenging, so please plan accordingly so that class can begin on time. There should be parking available at the Carr Lot on Taylor Street. When you come off the interstate, at the third set of lights, turn left onto Taylor Street. The parking lot is on your right just after you cross the bridge. This lot is permit parking only – temporary permits are available at the Security desk at 109 State Street when you sign in. You will need to plan time to run back to your car to place your temporary permit on your dash board. When you leave, there is a drop-box located at the Security Kiosk at the entrance/exit of the parking lot. It is really important that you place your temporary permit in the drop-box before leaving Montpelier.
